Your position in the department:

Have you received prior support for attending OOPSLA conferences?

If YES, describe briefly the support you received, and how the experience of attending OOPSLA helped you and your institution improve its OO education and training.

Have you applied for any other support for attending OOPSLA 2009:

If YES, indicate the other forms of support for which have you applied.

List the courses in your department that include OO technology. Give the course name and number, and the number of students enrolled annually. Indicate which of these, if any, you are involved in teaching.

Either (1) describe something innovative that you are doing in teaching OO or (2) describe how the symposium can play an essential role in helping you to advance the state of teaching OO in your curriculum.

List your objectives for attending OOPSLA 2009.

Describe how you will satisfy these objectives at OOPSLA 2009.

Explain how you will use your experience at OOPSLA 2009 to promote OO technology within your department or college. Be specific, and provide a target date for achieving each objective.

Reply to each of the following:

- I am able to attend the full conference, October 25-29, 2009.
- I intend to participate in the Educators and Trainers Symposium in some way, by presenting a paper or nifty assignment, sharing a resource, leading a discussion, moderating a session, or wherever I am needed.
- I am able to submit my expense report by November 18, 2009.
- I am able to submit my experience report by November 18, 2009.

Include any other information that will help explain your need and desire to attend OOPSLA 2009.
